ROLLWAY®

Since the introduction of Antifriction bearings into rolling mills in the 1920's, Rollway® has been providing high quality engineered roller bearing products to keep the mills producing efficiently.

McGILL®

Also available:
McGill® Camrol Bearings

JAURE®

Processing and Finishing Lines

Jaure® and Kop-Flex® supply couplings and drives for processing lines that include: pickling, annealing, hot dip galvanizing, color coating and finishing lines.

KOP-FLEX®

Hot and Cold Rolling Mills

Jaure and Kop-Flex's supply program includes large gear couplings and gear spindles for hot, steckel, plate mills and long product rolling mills.

Jaure produces torsionally stiff reliable drives spindles for cold rolling mills.

APPLICATION CONSIDERATIONS

The proper selection and application of power transmission products and components, including the related area of product safety, is the responsibility of the customer. Operating and performance requirements and potential associated issues will vary appreciably depending upon the use and application of such products and components. The scope of the technical and application information included in this publication is necessarily limited. Unusual operating environments and conditions, lubrication requirements, loading supports, and other factors can materially affect the application and operating results of the products and components and the customer should carefully review its requirements. Any technical advice or review furnished by Regal-Beloit America, Inc. and its affiliates with respect to the use of products and components is given in good faith and without charge, and Regal assumes no obligation or liability for the advice given, or results obtained, all such advice and review being given and accepted at customer's risk.

For a copy of our Standard Terms and Conditions of Sale, Disclaimers of Warranty, Limitation of Liability and Remedy, please contact Customer Service at 1-800-626-2120. These terms and conditions of sale, disclaimers and limitations of liability apply to any person who may buy, acquire or use a Regal Beloit America Inc. product referred to herein, including any person who buys from a licensed distributor of these branded products.
